Rouse Hill Town Centre wins construction award

04.08.09

Rouse Hill Town Centre has won the Professional Excellence Award (Commercial Construction) at the 2009 Australian Institute of Building (AIB) NSW Chapter.

“These awards are the ultimate personal achievement for a professional builder. They recognise the contribution and leadership shown by individuals to the successful completion of a construction project, reinforcing the fact that the success of any building firm can be attributed to those responsible for construction projects,” said Robert Hunt, AIB Chief Executive Officer.

The town centre was a joint-venture project between GPT Group and Bovis Lend Lease, and was delivered by a consortium of three architectural firms: Allen Jack+Cottier, Rice Daubney and Group GSA (within the context of a masterplan prepared by Civitas Urban Design and Planning).

Rouse Hill Town Centre also was awarded the Pitney Bowes Business Insight Award for Shopping Centre Developments.

The awards highlight the national benchmark that Rouse Hill Town Centre has set for sustainable retail and community development in Australia.

The growing list of awards includes:

2008 Walter Burley Griffin National Award for Urban Design, Australian Institute of Architects

2008 Lloyd Rees Award for Urban Design (NSW), Australian Institute of Architects
